Competency description

I can name different digital evaluation formats for performance appraisals and their advantages and disadvantages.

Level

Advanced competency

Taxonomy level

1. Know

Column/number in the document

A/120

Explanatory notes

This competency refers to the ability to identify and understand various digital assessment formats for performance appraisal, as well as to identify the advantages and disadvantages of these formats.

Rationale

The ability to understand digital assessment formats and know the pros and cons of these formats is for educators.

Example

An educator can use various digital assessment formats, such as multiple-choice tests, essays, presentations, or peer assessments, and knows when and why certain formats are useful.
