Competency-oriented classes

Competency

Competency-oriented classes

Competency description

I can explain features of differentiated, competency-based classes and know how to integrate/promote these through my media-supported lessons.

Level

Advanced competency

Taxonomy level

1. Know

Column/number in the document

A/141

Explanatory notes

This competence refers to the educator's ability to understand the characteristics of differentiated and competency-oriented teaching and to integrate them into media-supported lessons.

Rationale

Differentiated and competency-oriented teaching can enable the promotion of individual skills and the achievement of clearly defined learning goals.

Example

An educator uses digital learning environments to provide his students with an exploratory learning path.
