Framework

Competence

Framework

Competency formulation

I can apply the framework of the KMK strategy.

Level

Advanced competency

Taxonomy level

2. Apply

Column/number in the document

A/141

Explanatory notes

This competence refers to the ability to apply the framework guidelines and specifications of the Conference of Ministers of Education and Cultural Affairs (KMK) for the digital education strategy.

Rationale

The KMK is an important institution in Germany that determines educational policy and standards. Applying the framework set out by the KMK is important to ensure that teaching meets national educational requirements.

Example

An educator can take the KMK framework into account in his lesson planning.
