

# Framework

## Competence

Framework

## Competency formulation

I can apply the framework of the KMK strategy.

## Level

Advanced competency

## Taxonomy level

2. Apply

## Column/number in the document

A/141

## Explanatory notes

This competence refers to the ability to apply the framework guidelines and specifications of the Conference of Ministers of Education and Cultural Affairs (KMK) for the digital education strategy.

## Rationale

The KMK is an important institution in Germany that determines educational policy and standards. Applying the framework set out by the KMK is important to ensure that teaching meets national educational requirements.

## Example

An educator can take the KMK framework into account in his lesson planning.

## Sources

## Teaching material

## Connection with other competencies

## Tagging

Framework model, KMK, educational standards, lesson planning, digital media, educational policy, national requirements.
